Design, Performance and Technology
Live Integrated

Technopc AIO22 Series all-in-one computers have a thin and aesthetic line, as well as high-frequency Intel processors used in desktop computers.
offers superior performance.

Thanks to its removable foot structure and vesa compatibility, it can be mounted on the wall, and it saves your desktop from cable clutter with a comprehensive cable management.

The slim, innovative space-saving Technopc All in One Series is perfect for your creativity in the business environment and for home use.

Don't compromise on performance for an elegant and modern design!

21.5" Screen	Intel Processor	Internal Speaker	SSD Storage	Internal Webcam
