

Perfect View from Every Angle Advanced Energy Saving

With an extended 178 degree vertical and horizontal viewing angle, it provides clear images from all viewing angles. Let everyone enjoy the perfect and wide viewing angle, whether you are laying back and relaxing or gathering with friends. Thanks to its low energy consumption, it reduces your energy consumption costs and almost does not consume energy in sleep mode.

Special design pivot foot by moving forward-backward, right-left and up-down
It provides the most comfortable and ergonomic use for you.

Wherever you need eye health, ergonomics and comfort...
